Subject: Full membership of HAC in ENQA

Dear President Balázs,

I am pleased to inform you that, at its meeting of 16 April 2015, the Board of ENQA agreed to renew HAC Full membership of ENQA for five years from the Board's decision of 19 September 2013 granting HAC the status of Full member under review. Full membership under review is included in the whole 5-year membership. Therefore, membership is deemed to have commenced on 19 September 2013 and, following the successful outcome of the partial review, is valid until 19 September 2018.

As outlined in the review report, HAC is recommended to persist in the present discussions with the Ministry of Human Resources and the Educational Authority about amendments and a clarification of the links and distribution of competences between MHR-EA and HAC in order to increase its stability and sustainability. Improved clarity in definitions needs to be agreed and published. As the next review which is scheduled to take place in three years' time only, HAC is not requested to submit a progress report by then. However, please note that the next review will give particular attention to the panel's recommendations.

If you have any further queries, please do not hesitate to contact the ENQA Secretariat.

Please accept my congratulations for the renewal of Full Membership of HAC.

Yours sincerely,

Padraig Walsh
President of ENQA
